

Inclement Weather Arrangement

Weather Warning Signal	Hosting / Issuing Time	Class Arrangement
Amber and Red Rainstorm Signal	Anytime	Class will be held as scheduled
Black Rainstorm Signal	Hoisted during class	Class will be proceeded as scheduled
	Two hours before the start of the class	Class will be cancelled
Tropical Cyclone Warning Signal No. 1 & 3	Anytime	Class will be held as scheduled
Pre-No. 8 Special Announcement	Hoisted during class	Class will be cancelled
	before the start of the class	
Tropical Cyclone Warning Signal No. 8 or above	Hoisted during class	
	Two hours before the start of the class	
In case the Black Rainstorm Warning Signal and Tropical Cyclone Warning Signal No. 8 is cancelled TWO hours before the class commences, the class will be held as scheduled.		

1. Participants should consider the actual weather and traffic condition when deciding whether or not to attend the class.
2. Pre-No. 8 Special announcement is an advance notice to the public issued by the Hong Kong Observatory when the Tropical Cyclone Warning Signal No. 8 is expected within two hours.

惡劣天氣安排
